

Your Family Member or Friend with Special Needs is Welcome!

We believe that all people are created in God's image and that every person has value to God and us!

If you want your family member to have an understanding of his or her value to God and enjoy time with others in a Sunday class setting, join us at Church On the Sound!

Currently we provide a Sunday Bible Class for teens and young adults with special needs during the 9am service after worship.

You'll find ...

- **a loving, safe and accepting environment;**
- **teachers that care and give personal attention;**
- **our congregation welcomes people with special needs;**
- **an opportunity for them to make new friends and**
- **for your entire family to be part of our church family.**

We hope to share our faith and Jesus' love as we partner with God to help transform our member's lives into all God wants for them.

For more information call Yvonne Sanchez at (632) 941-4100 and let us know their name... we want to welcome them personally!

Sparrow Ministry

Not one of them is forgotten in God's sight

Luke 12:6
